CREATIVE BIOMART®
Assay Kit

Tetracyclines Multi-Residue Detection Kit

Product Information

Product Overview

Drug / Contaminant Residue Detection Kits

Description

Identifies multiple tetracycline antibiotics in a single test.

Size

48t/96t

Applications

- Detection in meat, milk, and honey
- Food safety audits
- Routine screening for tetracyclines

Features & Benefits

- Simultaneous detection of multiple residues
- Fast and economical testing
- Suitable for various matrices
- Robust and consistent performance
