CREATIVE BIOMART®
Assay Kit

Fluo-3, AM Calcium Ion Concentration Detection Kit

Product Information

Product Overview

The Fluo-3, AM Calcium Ion Concentration Detection Kit is designed for quantitative measurement of intracellular Ca²⁺ levels in living cells. Fluo-3 AM readily penetrates cell membranes and emits enhanced green fluorescence upon calcium binding, providing a reliable readout of calcium flux. It is widely used in calcium signaling research, pharmacological screening, and functional cell assays.

Size

200t

Storage

Store at -20 □, protected from light. Shelf life: 1 year.
