CREATIVE BIOMART®
Assay Kit

Nematode Rapid Dehydration Kit

Product Information

Product Overview

This rapid dehydration kit differs from the conventional method and contains glycerol, lactic acid, phenol, formaldehyde, and related components. It enables completion of fixation, dehydration, and mounting within approximately 1 hour, significantly reducing processing time. Treated nematodes are suitable for long-term storage.

Size

5*50 mL

Storage

Store at room temperature, protected from light. Shelf life: 1 year.
