CREATIVE BIOMART®
Assay Kit

?-Glucuronidase Assay Kit

Product Information

Cat.No.	Kit-0854

Product Overview

The Alpha-D-Glucuronidase test kit is a simple, reliable and accurate method for the measurement and analysis of alpha-D-glucuronidase in various enzyme preparations. Containing and aldouronic acid substrate and an a-D-glucuronidase control.

Size

50 assays (manual)/200 assays (microplate)

Detection method Spectrophotometric at 340 nm

Features & Benefits

Very competitive price (cost per test)All reagents stable for >2 years as suppliedMega-Calc software tool is available from our website for hassle-free raw data processingSuitable for manual, microplate and auto-analyser formats

Assay time

~ 25 min

Sensitivity

17 mU/mL
