CREATIVE BIOMART®
Assay Kit

Goldner Trichrome Stain Kit

Product Information

Product Overview

Goldner's trichrome staining selectively visualizes nuclei, collagen fibers, and muscle fibers based on differential dye penetration related to molecular size. It is particularly useful for bone tissue, metabolic bone diseases, and evaluation of osteoblast and osteoclast activity.

Size

6*50 mL

Storage

Store at room temperature, protected from light. Shelf life: 1 year.
